Willamette Week Give!Guide 2010

KZME radio has been selected as one of the public benefit organizations to be listed in this year's [Give!Guide](#). We are proud to be partnering with the [Radio Room](#) in getting the word out about supporting KZME radio and will also be holding a special event at the location. More details to follow!

Make it Happen

The Dimes & Timber Carnival Records

"Hi - I'm [Ryan Wines](#) of [Timber Carnival Records](#) and I'm Pierre from [the Dimes](#). It's easy to take for granted what a rich and diverse music scene we have here in Portland. From folk to garage to indie we really have a ton to choose from. With some of the best live venues in the country we're now ready for a new community radio station. KZME will be on the air in Portland and surrounding areas this year. It will be dedicated to airing independent non-commercial radio, but we can't do this alone. It's going to take community support to make this happen and so we're asking for your contribution to help us build the transmitter and the studio. So let's bring the music, you love, out of the clubs and onto the airwaves. I like it."

Award Winning Logo

Our [new logo](#) received the Excellent of Merit award at the 2010 Australian Creative Awards. It was designed by the local organization, [Oakley Design](#).

Volunteer Opportunities

KZME welcomes new volunteer, Pam Carsten to our family! She'll be helping with outreach activities and hosting ArtclecticPDX, a new podcast spotlighting local arts and culture activities.

We are seeking proposals for music programs. KZME is a non-commercial radio station dedicated to broadcasting local music, supporting local arts and culture, and sharing information about east county public affairs.

We are also looking for help in previewing music, updating our web site and other areas.

Volunteer Spotlight

Trent Finlay, Kitten Rider

Meet [Trent Finlay](#). He is the Social Media Manager for KZME Radio.

Trent was born in Portland, Oregon and adopted into the same family as his biological half-sister by pure coincidence. Trent spent his formative years in [Centralia, Washington](#) learning to play a plethora of musical instruments and refining an ear for audio production. After college, he moved back to Portland with his indie-rock band, [Wester Daywick](#).

Trent jumped head-first into the non-profit world of fundraising, event planning and currently manages the social media for KZME Radio, [p:ear](#) and various local organizations. When not utilizing his skills in graphic design, audio/video production, online communications and happen-making to raise excitement and awareness for his projects, he

enjoys encouraging his **girlfriend's kids** to pick up after themselves and is a die-hard fan of **kittens**.

We asked Trent some really deep questions recently, and this is what he shared with us:

Why do you volunteer for KZME?

"KZME has the potential to a fantastic resource for our community on a number of levels, not the least of which is providing an outlet for the wealth of talented local musicians that are under-represented on the local dial."

Fave band?

*"Locally, I'm a big fan of the **Mark Twain Indians**, **Rachel Taylor Brown** and the now-defunct **Spinning Wheels**. And I'd like to think **my band** doesn't suck."*

Fave local venue?

*"I had an opportunity to check out **The Woods** recently. It has a fantastic ambiance and great sound. I'm also looking forward to checking out **The Secret Society**."*

KZME thanks Trent for all his hard work and especially for coordinating our recent pre-launch party!
