### **KZME RADIO PARTNERS WITH LOCAL ORGANIZATION ON BROADCAST SERVICE**

(PORTLAND, OR) December 14, 2010 – KZME radio is happy to announce a new programming partnership with KMHD2 of Mt. Hood Community College.

KMHD2 and KZME radio have forged a programming partnership to serve the Portland metro area, including East County, by co-creating programming to broadcast on 107.1 FM and KMHD HD2. The focus of the programming will showcase local music, support local arts and culture and share information about local community activities.

The launch date of the co-created programming service is January 10, 2011. Both student and community deejays will volunteer as on-air programmers working with staff of KMHD2 and KZME radio on creating the broadcast service.

“KZME radio is about community making great radio and working with KMHD2 is a natural choice and fabulous opportunity to help us make this much needed service a reality,” said Robert Brading, CEO of MetroEast Community Media.
