

Z NOTES **DECEMBER 2010**

BIG NEWS!!

Mt. Hood Community College and KZME radio have forged a programming partnership to serve the Portland metro area, including east county, by co-curating programming on 107.1 FM and **KMHD HD2**. The focus of the programming will showcase local music, support local arts & culture and share information about local community activities. Currently, we are broadcasting the college's HD2 broadcast. **We will be announcing the launch of the co-curated (as in, KZME ON THE AIR!!!) service on December 11 at Radio Room.** Click [here](#) to listen to KMHD's stream.

KZME is in the 2010 **Willamette Week Give!Guide**. As of Thursday, December 9th we've raised close \$1000! To celebrate, we're throwing some FREE parties with our dear friends at the **Radio Room** on NE 11th and Alberta. Check the Events section below for details! Donate to the Give! Guide at any time and Radio Room will treat you to a FREE espresso drink from the Bingo Master's Café.
