The Cocoa Hop

Brewpublic presents *The Cocoa Hop* – a benefit for KZME Radio!

The event will celebrate the love for local music...KZME...and the marriage of Northwest craft beer with mouthwatering chocolate. Music will be provided by the soulful sounds of DJ Miracle Miles. It will take place on November 14 from 6:30 p.m. until 9:30 p.m. at the Old Lompoc Side Bar in Portland.

Great News

MetroEast Community Media is happy to announce that the National Telecommunications & Information Administration has awarded the organization \$85,673.00 to build KZME Radio. The grant is part of the Public Telecommunications Facilities Program and will be used to purchase equipment to broadcast 91.1 FM. The entire cost of the project is \$171,346.00 and the grant covers half of the cost to purchase a transmitter, antenna and studio equipment. “We’re very excited about receiving this grant which moves us much closer to getting KZME and this amazing community resource on the air,” said Rob Brading, CEO.
